Homeshare in France

Focus on ensemble2générations

Showcasing Homeshare Programs

ensemble  générations
un logement, un service une vraie raison d'aimer

Homeshare in France

- A recent survey has identified 43 programs
- Some of them are marginal
- Many other programs have started but closed after a few years
- Organised in networks, the 1st one, COSI, around Le PariSolidaire, 17 programs
- The second one, LIS, 11 programs
- Created 2 years before E2G, both as a conglomeration of existing associations.

ensemble2générations

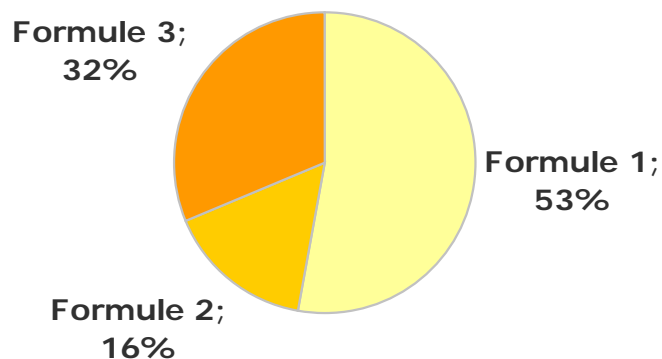

- E2G created a Federation, 23 programs in total.
- 14 in province (2 in creation)
 - 171 matches
- 9 in Paris Region
 - 343 matches
- 3 different options
 - Fully free room in exchange of presence and a few services
 - Participation to the charges and some services
 - Reasonable rent (below market prices)

Some statistics

Candidatures

Répartition des formules proposées par les seniors

(base 184 candidatures seniors)

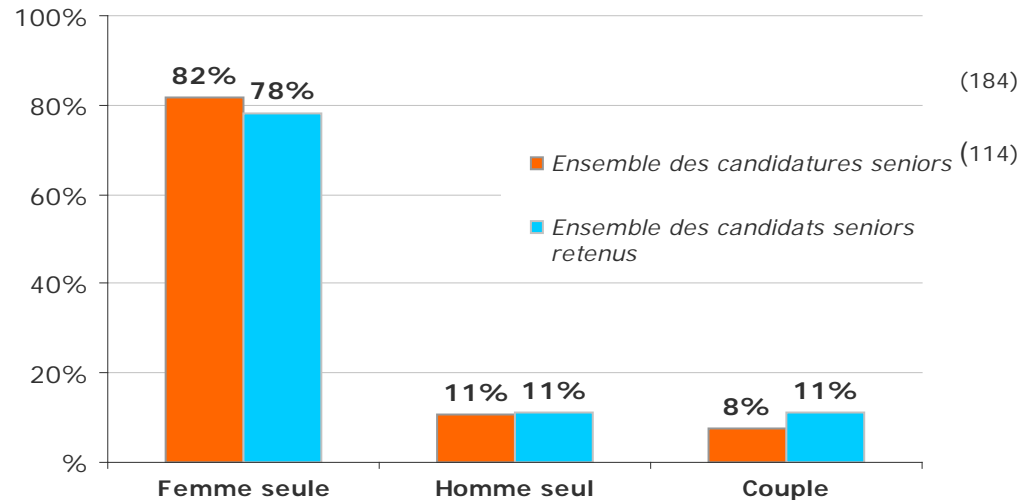

- The elderly are rather looking for a strong presence of the student. More than half of them propose a free housing to get this presence.

Seniors profile - sexe

- Mainly lonely women are interested by intergenerational homeshare. 78 % of the matches.

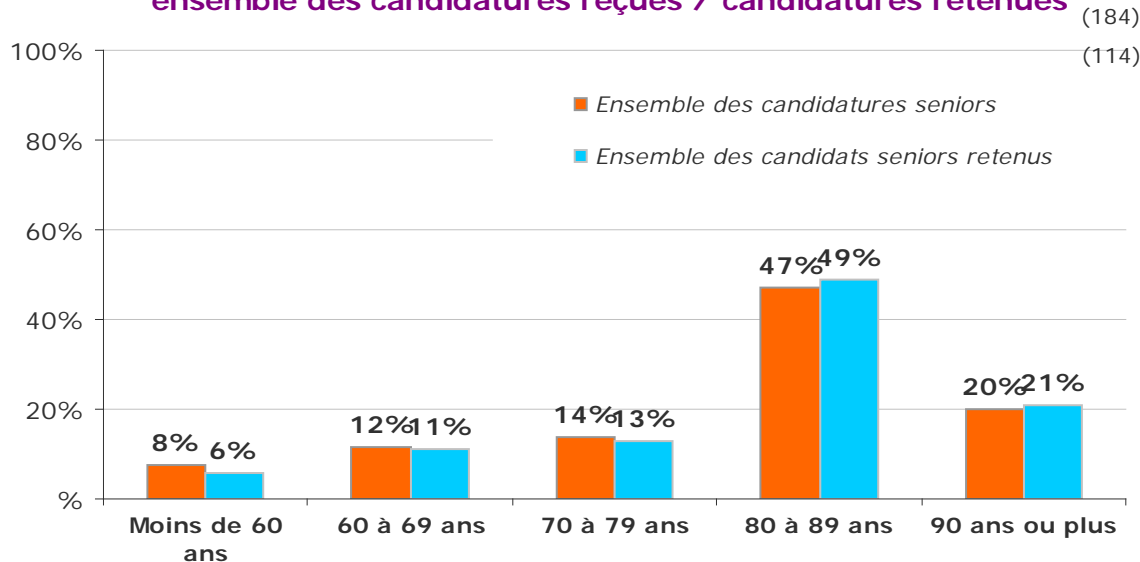

Ventilation des candidatures seniors par situation
- comparaison ensemble des candidatures reçues
/ candidatures retenues

Seniors profile - age

- 70% elderly are above 80.

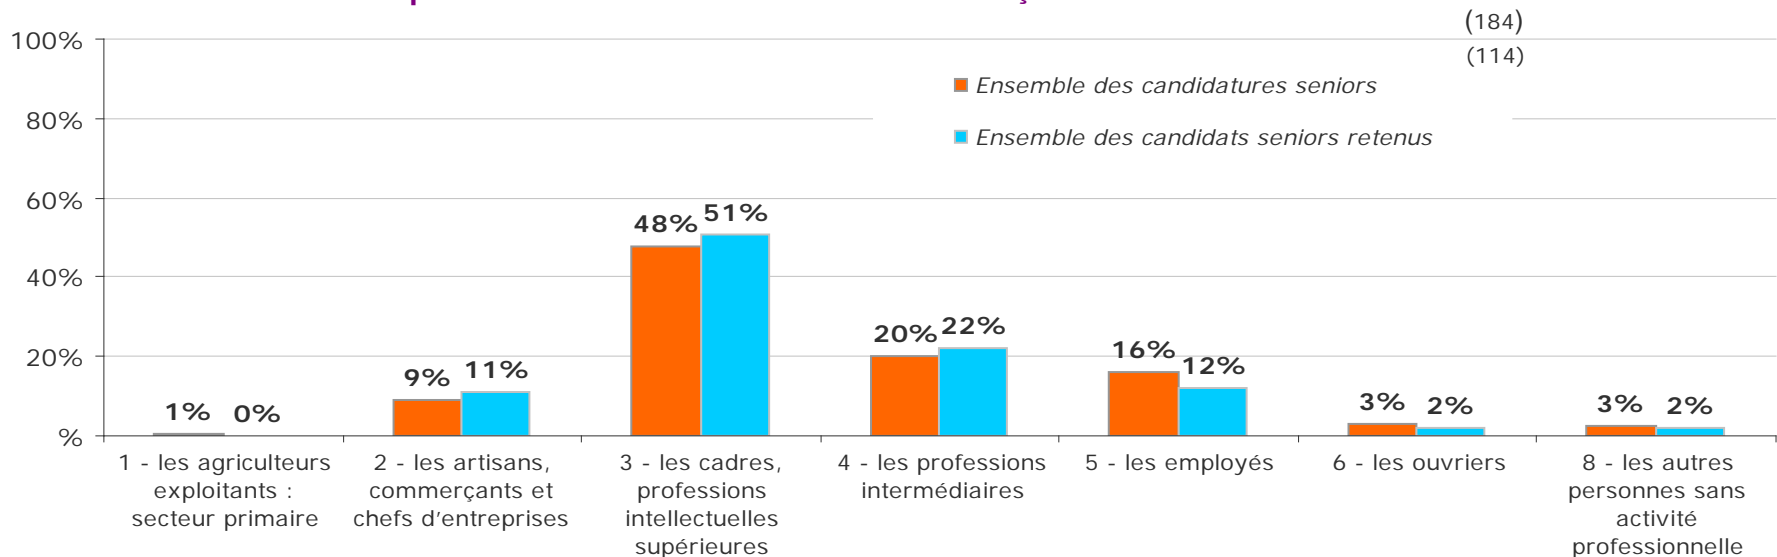

Ventilation des candidatures seniors par âge - comparaison ensemble des candidatures reçues / candidatures retenues

Seniors profile – socio-professionnal group (SPG)

- Half of the elderly who use homesharing were executives, or from an upper intellectual profession.

Ventilation des candidatures seniors selon la profession exercée antérieurement - comparaison ensemble des candidatures reçues / candidatures retenues

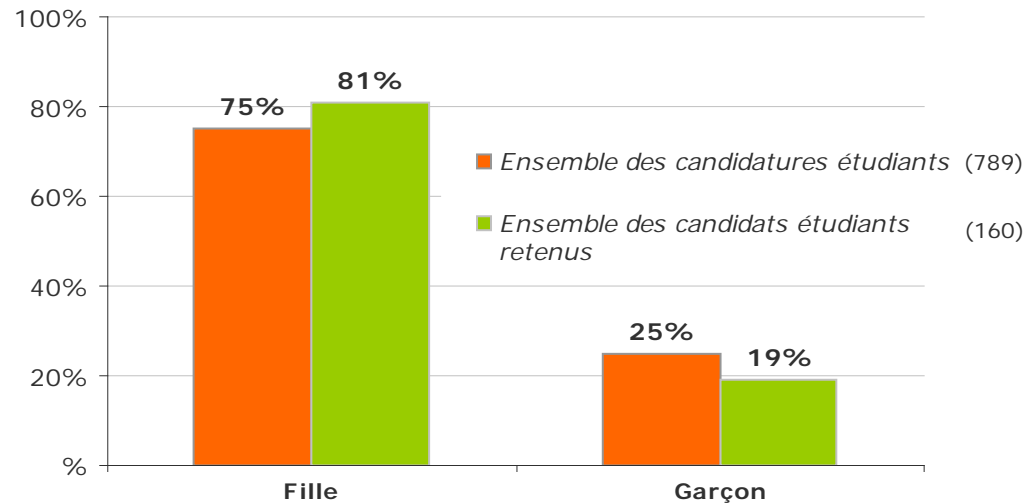

In the Great Paris, the former executives represent only 16% of the retired people.

Students profile - sexe

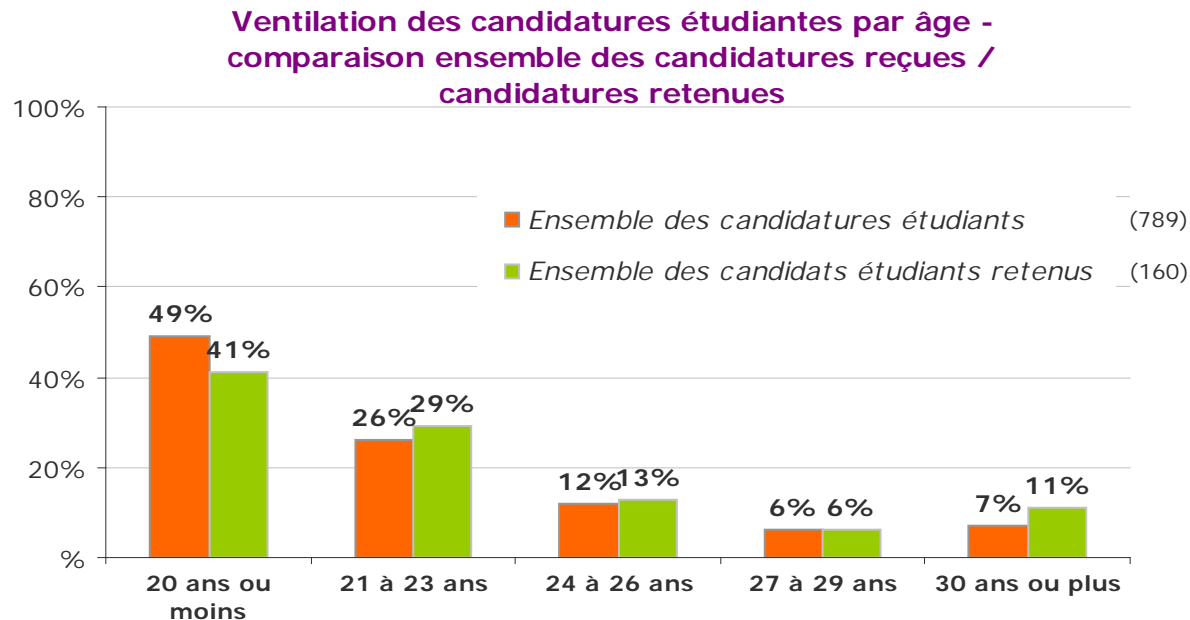

- The students who apply for homeshare are mainly girls...

Ventilation des candidatures étudiantes par sexe -
comparaison ensemble des candidatures reçues /
candidatures retenues

Students profile - age

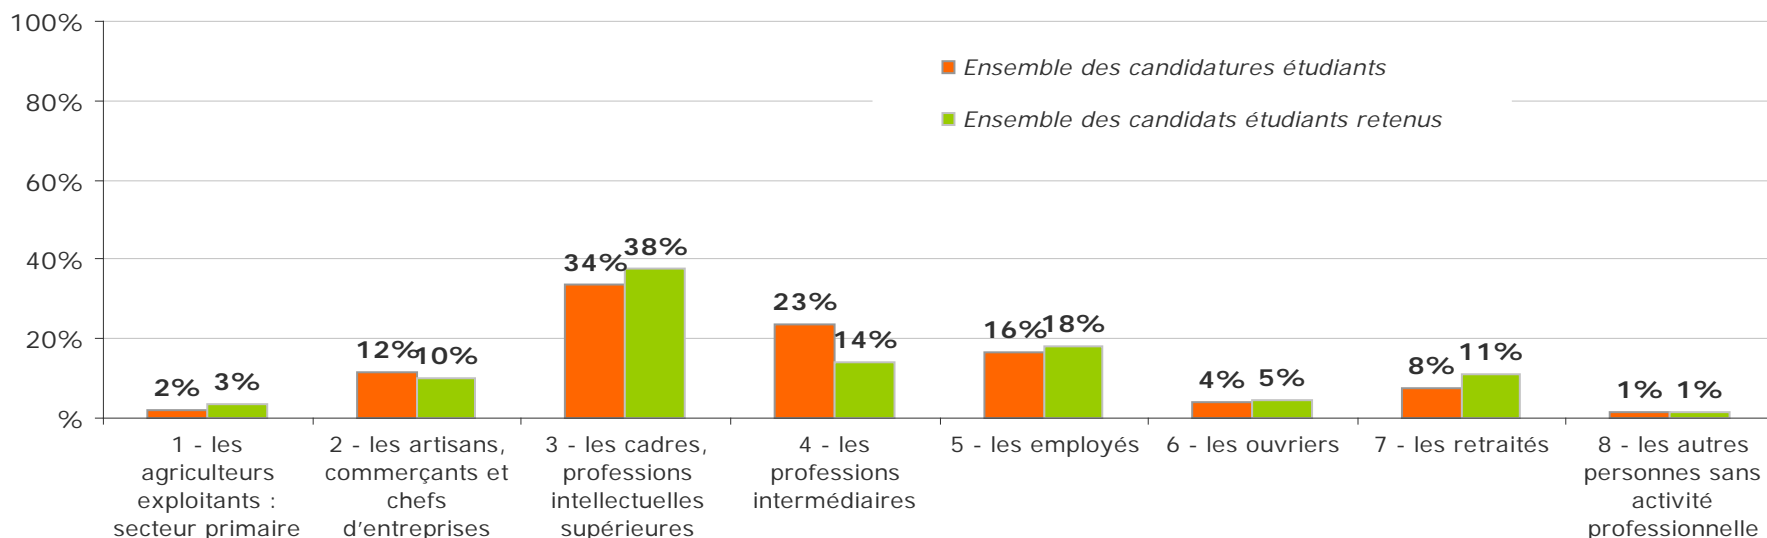

- In the E2G matches, 41% of the students are 20 or below 20.

Students profile – parents SPG

- The social environment of origin of the students in matches is close to the one of the french student population, except the children of workers who are under represented.

Ventilation des candidatures étudiants selon la profession exercée antérieurement - comparaison ensemble des candidatures reçues / candidatures retenues

The students with foreign nationality represent 22 % of the candidates, and 26 % of the matches.

Showcasing Homeshare Programs

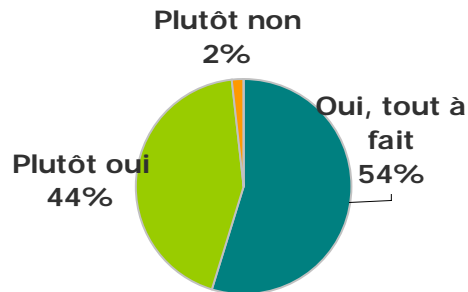

High satisfaction figures

- More than 95% satisfaction as well with the elderly as with the students ...

elderly

Êtes-vous satisfait de cette expérience ?

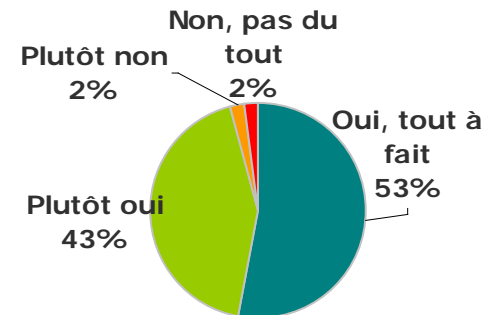

(base 64 seniors)

students

Êtes-vous satisfait de cette expérience ?

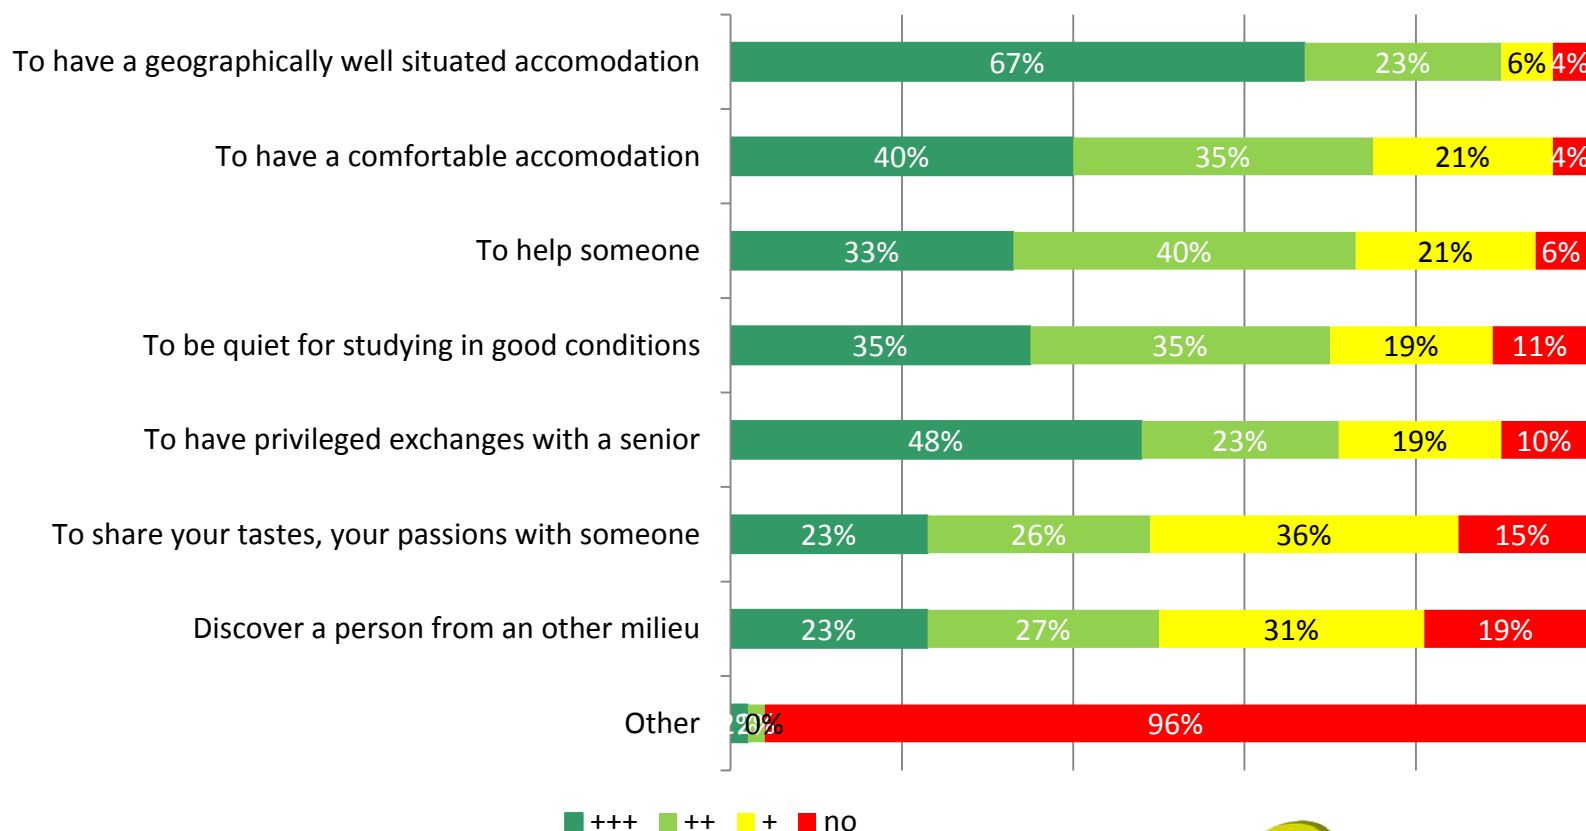

(base 49 étudiants)

- 82% of the students and 91% of the elderly are ready to start again a new year of intergenerational housing.
