HANZA Vision

Supported, shared living arrangements for mutual benefit and community wellbeing available to vulnerable populations.

HANZA Mission

To build a network of committed organisations and individuals across Australia and New Zealand that promotes policy, actions and programs around homesharing as a viable, affordable and sustainable model of supported shared living.

HANZA Values

- Social justice – a commitment to the principles of the international model of homesharing as a means of sharing resources, creating affordable shared living arrangements and building community.
- Evidence based – a foundation on best practice evidence that enhances the development of homeshare programs in Australia and New Zealand.
- Innovation – support for innovative approaches that promote and expand homesharing policy and programs.
- Accountability – HANZA strives for transparency, continual improvement and integrity in all that we do.

HANZA 2020-2023 Strategic Goals

1. Promote the Homeshare model – increase our impact on key policy and actions by working towards the acceptance and integration of homeshare options into policies and programs for vulnerable populations.
2. Increase the spread of Homeshare Programs – support the establishment and development of homeshare programs in Australia and New Zealand and build an evidence base that underpins the growth of homesharing as a viable and desirable option.
3. Build HANZA into a dynamic and sustainable organisation – operating with integrity and accountability and being financially sustainable.

Please forward this application to The Secretary, HANZA Inc PO Box 234, Bentleigh, VIC 3204.
